*Many Thanks to our donors & Volunteers!*

*Without them, many things we do as a charity, just can't be possible. We ask that our Walk 4 Water donors & volunteers go the extra mile to share & fund-raise with our flyers, this Newsletter, the video link or event cards. Thus, they may ask family, relatives, etc. for sponsorship of the event and have a few private businesses match their first 106 feet or steps taken in the walk with an additional \$106 or more to help ensure that others in Africa don't have to suffer these tedious walks*

## The Wagon is Moving - Annual Report & Coming Events

As we look back to what we did together in 2015 with so little, I'm just flabbergasted!

I've summarized the highlights in the first two pages of the [Annual Report 2015](#) - so [have a look](#). Pages 3-12 provides additional operational details. Once again, I wish to say a big hearty "Thank You!" to all our donors, volunteers, and partners who've made all this possible to bring clean water to the poor and needy.

### **Walk 4 Water Relief 2016:**

Our 2-Mile Walk 4 Water event is scheduled for Saturday April 9th by 9 AM. Event kicks off at Premier Martial Arts Parking lot in Dickinson - FM 517 / I-45 N.

*Goal is to raise a minimum of \$10,560 for 10,560 feet in 2 miles. Strategy is for every volunteer - especially, for the top 100 High School and Elementary School participants to each raise \$105.60 for their first 106 feet steps taken in the 2 mile walk. [Read more...](#)*

We walk 2 miles in 1 day a year so they do not have to

any longer in their lives when they have new wells in their schools, near homes, or churches.

As we mobilize and deploy equipment with a new team in Republic du Niger, West Africa - we invite you to lock arms with us in this new venture for good and the Kingdom.

The rig was released from Customs in Niger Republic mid-Feb. 2016 to our partners - Vie Abundante; and exonerated from duty. Last week a rugged heavy duty truck was added to the fleet of equipment for towing rig and Utility trailer by a collaborating ministry - Wells for Wellness. We're all getting excited about going to Niger in April to begin putting in the wells to quench their thirst.

*Don't forget to sign up as a monthly Relief Ambassador - people we can count on giving up only \$1/Day at the minimum to impact and transform lives of women and children where we work. Click here to activate your participation now: Be an [RNM Partner](#).*
