RNM exists to provide access to safe domestic water, medical relief, and vocational job skills training to the poor and needy in various communities, in particular, the 3rd World Countries - with current focus on Nigeria and Niger Republic in West Africa. Furthermore, RNM is committed to addressing the need to remove conditions that lead to abject poverty, cycles of disease and ill health, especially among children and women through sustainable development. This includes addressing the lack of basic life's skills or inadequate job skills which leads to low productivity & development in targeted communities. We focus on alleviating acute shortages of sanitary drinking water which significantly contribute to poor health & hygiene among the poor and disenfranchised. RNM also uses safe Water Access and Hygiene education as a tool for integral mission, thereby leveraging the opportunity to share the love of Christ through its intentional gospel proclamation activities.
